Mickey and Ashley Milam, Father and Daughter

MILAM
FUNERAL AND CREMATION SERVICES

General Price List

Gainesville, established 1926

Newberry, established 1997

Milam Funeral and Cremation Services is family-owned and operated by father and daughter, Mickey and Ashley Milam, who are both licensed funeral directors and embalmers. They also have a wonderful and capable support staff of other licensed funeral directors and embalmers, various associates, and an after-care counselor. Mickey has been in the funeral profession since 1965, and Ashley has been following in his footsteps since 1993. Our family and staff wish to help you choose the service package that best suits your, and your family's, needs. So many things have changed in the funeral profession in the last 20-30 years, and we have worked hard to keep up with the ever-changing needs of the families of Alachua County. We are here, as professionals, to guide and allow you, the consumer, to make the best possible decision, when it comes to the type of service you may want for your loved one. We have licensed family service counselors and licensed funeral directors on staff to help guide you, and hopefully help make already tough decisions somewhat easier, by answering any questions you may have, and to explain the differences in the services we offer. Milam Funeral and Cremation Services also offers special consideration for the deaths of service personnel/first-responders, and also for children. Please speak with your funeral professional regarding what we may offer your family.

Milam Funeral and Cremation Services takes pride in the unequalled service our staff gives each family we serve, and we offer many different service options with the best quality.

We help our families file for benefits with life insurance companies, veteran's survivor benefits, as well as state, county, or city retirement.

One of our funeral professionals can answer any questions you may have. It is very important to choose a funeral home and a funeral director you have confidence in. The time surrounding the death of a loved one is difficult, and the most important responsibility of any funeral director should be to have empathy, and make this difficult time a little easier and less stressful. Choosing a professional funeral director who handles every family and every request with compassion and understanding may be the most important decision a family has to make.

We are proud to be a family owned and operated funeral home. Established in 1926, we are third generation in the Family funeral service. We encourage your questions, and we will always give honest, straight-forward answers. We serve all faiths and viewpoints, and offer many options in funeral and cremation services. Please do not hesitate to call with your questions. We are here to help.
